Title: How to apply for the European MSc of Nuclear Fusion Program

Speaker: Eng. Ayman A. Hamada (FusionEP MSc Program)

When: 2022-07-14 17:30:00 - **Hosted by:** Mohamed Ezzat, MSc

Abstract: This talk will introduce a step-by-step manual on the application process for the European MSc of Nuclear Fusion and Engineering Physics Programme (FUSIO-EP). Fusion-EP is one of the Erasmus+ programs that receive funds from the European Education and Culture Executive Agency, EU. Fusion-EP's mission is to train the next generations of physicists and engineers to work in the magnetic confinement fusion programs across Europe and beyond. So, if you are a BSc or fresh graduate of physics or engineering, this talk is for you. For more information, please consult the website of the Fusion-EP <https://www.em-master-fusion.org/>.
